

Physical Therapist Assistant Program

Application to the PTA Program for Pre-PTA and Transfer Students

You must apply for admission to the PTA Program if you have been accepted as a Pre-PTA student, are transferring from another post-secondary educational institution or are a non-traditional student. You are eligible to apply to the program if you meet the minimum requirements or are in the process of completing the minimum requirements for admission as listed below. **Your application will be considered only if you have completed all the minimum requirements or have completed BIO 171 (Anatomy & Physiology I) or an equivalent course and are registered in the remaining courses.**

Complete and submit this form to the PTA Department, 104 E. Mannerheim, or mail to: Finlandia University, PTA Department, 601 Quincy St., Hancock, MI 49930. The deadline for this application is **January 1st of the year that you intend to enter the technical phase of the PTA program.** Students applying after this deadline will be admitted on the basis of space availability and our program's admission formula scores. **Apply early as there are a limited number of positions available in the PTA Program.**

Applicant's name (PRINT) _____
Address: _____ **City:** _____ **State:** _____ **Zip:** _____
