

Physical Therapist Assistant Program
Application to the PTA Program for Pre-PTA and Transfer Students

You must apply for admission to the PTA Program if you have been accepted as a Pre-PTA student, are transferring from another post-secondary educational institution or are a non-traditional student. You are eligible to apply to the program if you meet the minimum requirements or are in the process of completing the minimum requirements for admission as listed below. **Your application will be considered only if you have completed all the minimum requirements or have completed BIO 171 (Anatomy & Physiology I) or an equivalent course and are registered in the remaining courses.**

Complete and submit this form (pages 1 and 2) to the PTA Department, 104 E. Mannerheim, or mail to: Finlandia University, PTA Department, 601 Quincy St., Hancock, MI 49930. The deadline for this application is **January 1st of the year that you intend to enter the technical phase of the PTA program. Students applying after this deadline will be admitted on the basis of space availability and our program’s admission formula scores. **Apply early as there are a limited number of positions available in the PTA Program.****

Part III

If accepted to the program, do you plan on taking the PTA technical phase classes over one year or two years?

(please check one) one year two years

Part IV

Should you be accepted into the PTA Program, in addition to academic course work, clinical education is a significant part of the PTA student’s learning experience. PTA students complete 14 weeks of full-time clinical experience off campus at three different clinical affiliation sites. Because travel, room and board costs are the student’s responsibility, we try to match students with affiliated sites that may help minimize these costs if possible and if the student so desires.

We have clinical sites that offer placements to our students in the following locations. Please indicate (circle or highlight) if you have housing available (friends/relatives or other) in any of these locations. We can use this information to then direct you to sites available.

Michigan:

Upper Peninsula: Hancock, Houghton, Laurium, Calumet, L’Anse, Ontonagon, Ironwood, Iron Mountain, Kingsford, Crystal Falls, Iron River, Ishpeming, Escanaba, Powers, Manistique, Marquette, Munising, Negaunee, Newberry, Sault Ste. Marie

Lower Peninsula: Alpena, Bay City, Brighton, Cadillac, Carson City, Detroit, Dexter, Farmington Hills, Flint, Gaylord, Grand Rapids, Grayling, Howell, Kalamazoo, Lake Orion, Lansing, Mt. Pleasant, Petoskey, Plymouth, Reed City, Saginaw, Traverse City, Troy, West Branch

Wisconsin:

Eau Claire, Fitchburg, Green Bay, Marinette, Merrill, Rhinelander, Stanley, Wausau

Minnesota:

Brainerd, Crosby, Hopkins, Howard Lake, Golden Valley, Litchfield, Rochester, Staples, Wayzata, Winona

Indicate if you would like to organize a clinical placement at any other location(s) because you have housing available. We have affiliations with corporations that have facilities across the United States that we may possibly be able to arrange sites for you.

Is there a facility that you would like to complete a clinical experience? Yes No

If Yes Please provide the name and address.

Have you or any relatives worked there as an employee? Yes No

NOTE: You are not to contact the facilities at this time.
