

## Study plan for exchange students to Finlandia University

Student name \_\_\_\_\_

Sending institution \_\_\_\_\_ Semester/year \_\_\_\_\_

Exchange students typically need to be full time students at Finlandia University. This means carrying at least 12 credits but not more than 18 credits without special permission.

Students should go to <http://www.finlandia.edu/academics/campus-catalog-2/> to access the course schedule for their respective semester. Students should select courses that will fit their home institution's requirements, will not overlap with other courses, and for which they have met any pre-requisite requirements. Course descriptions including any pre-requisite requirements can be found at: <http://www.finlandia.edu/academics/campus-catalog/2016-17-catalog/course-descriptions/>

List all courses to be taken at Finlandia in the following table:

Course Code	Course Name	Days	Times	Pre-requisite (if any)

Changes to your schedule can be made up until Friday at 4:30pm of the first week of classes. If you have any questions, contact the dean of the school or college at Finlandia that you will be attending. Welcome to Finlandia University!
