

Dear Student,

Congratulations! You have been awarded a Finlandia Merit Scholarship from Finlandia University as part of your financial aid package. These scholarships are funded in part by Finlandia's alumni and friends. Without their support, we could not offer these scholarships as we do. I need your help to encourage continued generous giving so that more students may be given this same advantage. I ask that you take a few minutes to write a brief note of appreciation.

In addition to thanking the donor for his/her generosity and saying what the gift has meant to you personally, you might also include information about yourself such as where you are from, your program of study, your career plans after you graduate, and so on. After scholarships are awarded following the end of the Fall semester registration period your letter will be completed with the appropriate name and address, your name will be signed, and it will be sent to the donor.

This letter, along with other documents listed for completing, is needed to complete your financial aid file. Please return your letter by email to the Financial Aid office (sandy.turnquist@finlandia.edu) so the letter does not need to be retyped.

If you have questions regarding writing the letter, please call Doreen Korpela at 906-487-7201; or if you have questions about the scholarship related to your financial aid award, call Sandra Turnquist, Director of Financial Aid, at 906-487-7240.

I look forward to seeing you on campus.

Sincerely,

Philip Johnson
President
