Special Note: Although the US Department of Education requests the estimated total number of students at the institution eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive emergency financial aid grants to students under Section 18004(a)(1) of the CARES Act, they recognize the immediate challenge. The estimated total number of students at the institution who are eligible to participate in programs under Section 484 in Title IV is information institutions have no capacity to report on because no student is required to file a FAFSA. Therefore, like other institutions of higher education, Finlandia University has no way of knowing how many students on our campus are eligible to participate.

Emergency Financial Aid Grants are distributed by the institution based on the following methods: eligible students (as determined by the US Department of Education guidelines accompanying Section 18004(a)(1) of the CARES Act) who were displaced from the University's residence hall due to the COVID-19 pandemic were issued grants of \$1,400.00 - \$1,500.00.
