

REQUEST FOR CERTIFICATION OF CLASSES – VA EDUCATION BENEFITS

I am requesting that Finlandia University certify my registered credits with the Veterans Administration for education benefits.

I understand that it is my responsibility to inform the Registrar's Office if I choose to modify the number of registered credit hours for the upcoming semester and to specify that I am a recipient of VA education benefits.

Please Note: Under Chapter 33, should you choose to withdraw from a course during the semester, the VA will make a determination on the dollar amount that is owed back for the course withdrawal. Should this dollar amount result in you having a balance to be paid to Finlandia University, a hold may be placed on your account, which could result in you being prevented from being enrolled in upcoming semesters until the balance is resolved.
