SOCIOLOGY MAJOR REQUIREMENTS 40 credits

Sociology offers a global perspective and understanding of how the social world works. As a discipline, sociology covers a wide variety of areas including individual interaction, gender, race, sport, the family, the economy, and social movements. The major teaches not only analytical and critical thinking skills, but also teaches a variety of theories and methodologies that students can use to analyze today's social problems. As such, it provides solid training for students considering a wide array of careers and graduate degrees.
