

Welcome, Finlandia University students!

Olivet College extends a warm welcome to Finlandia University students who are exploring college options. We understand that this is a time of transition for you and we will help make the process as smooth as possible. Know that the Olivet College family is committed to welcoming you with open arms.

Olivet College offers a strong liberal arts curriculum focusing on individual and social responsibility.

- We offer students an opportunity to have an immersive, residential, small college relationship-based experience.
- Since 1849, Olivet College has defined itself by who it includes, not who it excludes.
- Our student body of nearly 900 undergraduate students is one of the most diverse among Michigan's private colleges; half of the student body are first-generation college students.

Olivet College offers 34 majors and 26 minors, in addition to a Master of Business Administration. Comets have guaranteed access to internship and research opportunities, service learning, travel abroad courses, and much more.

Olivet College is a founding member of the Michigan Intercollegiate Athletic Association and fields 22 men's and women's NCAA athletic teams. In addition, Olivet offers an array of co-curricular programs.

As you explore Olivet College further, know you will be welcome here. We'll be here for you every step of the way.

We'll Make This Easy

Olivet College will help you seamlessly transition to our campus. We'll help you stay on track, so you graduate on time.

Three Steps to Transfer to Olivet College

We want to make your transfer stress-free. A member of the Olivet College admissions team will guide you through the process and be available to answer your questions for automatic admission.

Just three steps are necessary to begin the transfer process:

1. Complete the transfer application.
2. Ask Finlandia University to send your transcript(s) to us.
3. Complete your 2023-24 FAFSA and add

Olivet College as your school choice (school code: 002308).

After you have been formally admitted, a deposit of \$150 will be required to reserve your space, and you will begin registering for housing and selecting your classes for the fall semester.
