

## **Siena Heights University Transfer Information for Finlandia University Students**

Siena Heights University is committed to helping Finlandia University students during this time of transition. Siena offers a holistic student experience for both residential and online students. Enrolling a diverse community of traditional-age and working adult students, Siena Heights University was founded in the liberal arts tradition. We offer certificates, associate's, bachelor's, and master's degrees. The University's main Residential Campus is located in Adrian, Michigan, with a Global Campus reach through degree completion centers in Battle Creek, Benton Harbor, Dearborn, Jackson, Kalamazoo, Lansing, Monroe, and Online. Check out the SHU College Tour episode on YouTube to learn more: <https://www.youtube.com/watch?v=qoPCsYF0Gyo&t=7s>

Message from Siena's Athletic Director, Sue Syljebeck

We are excited to welcome the student-athletes from Finlandia the opportunity to speak with our coaches about numerous opportunities on our athletic teams. We offer 25 varsity sports. Siena has recently added Stunt as well as our Esports program continues to expand. Please check out our Athletics Department website to learn more: <https://shusaints.com/landing/index>

Message from Siena's Enrollment Team:

Siena Heights University is one of Michigan's premier transfer institutions for both its Adrian main campus and SHU Global online offerings. Siena Heights guarantees admission to Finlandia University students in good academic standing for a future Summer 2023, Fall 2023 and Winter 2024 term, and will:

- Provide their students with the same high-quality experience, resources, and support services that are available to students at Siena Heights.
- Provide a comparable financial aid package and out of pocket cost to attend Siena Heights as their current institutional cost.
- Accept all successfully completed college/university credits.
- Work with students to keep them on their degree completion timeline.
- Students not in good academic standing will be evaluated individually for admission but, if admitted, will benefit from all the above benefits.
